## *TRAIN of THOUGHT NEWSLETTER*

### WHY EXHIBIT AT A TRAIN SHOW?

*Would you like to make some cash off of the hobby you love?*

How would you like your train show experience to be a little bit different? How would you like to have more money at the end of a train show weekend than at the beginning? How would you like to sell your surplus trains in a marketplace setting with thousands of model railroaders in one place? If this sounds like something you'd be interested in, you too can become a *Greenberg Exhibitor!* We do not require you to be incorporated as a business, to have a business tax ID number, or to have any kind of hobby shop or store. Private collectors are welcome and are strongly encouraged to inquire about exhibiting at shows. Often private collectors who are liquidating part of their collection are able to bring unique and out-of-production items to the shows that are rarely seen, diversifying the products available at the shows and offering chances for both buyers and sellers to get something they want. In your case, it might be money - maybe even money to purchase other trains that are on your wish list! Being a Greenberg Exhibitor means you can exhibit and sell at the show, but it also means you have an opportunity afforded only to show participants to interact with the other exhibitors before the doors open. Buying and trading between exhibitors is common and can provide you with a way to snag that priced-to-sell item before the public ever gets in the door. Being an exhibitor also means you have the opportunity to buy individual trains or collections off of the visiting public, often at low prices, which you can either use to enhance your own collection or re-sell to make money. Signs offering appraisals and offering to buy trains from show customers are encouraged, and we make sure to direct people looking to sell collections towards vendors interested in buying.

## **WHAT DO I NEED TO EXHIBIT AT THE SHOW?**

You don't need much to become a Greenberg Exhibitor; we do not require a business name or tax ID number, though state tax laws may differ on this point and we encourage you to inquire with your state tax department about their requirements. You'll need to fill out one of our standard application forms, including a signature and payment method. There are three methods of payment:

- 1) You can mail in a check or money order when you mail in the application.
- 2) You can include your credit card number and authorize us to charge it four weeks ahead of time for your table bill.
- 3) You can pay by cash or check in person on the weekend of the show; if you choose to do this you must send in your credit card number to be used as a guarantee only.

Once you send in the table application, either by US Mail or fax, you should receive a letter confirming your table order within 8-10 business days. Then, about 20 days prior to the show you will receive a packet with information about the schedule of the show, a floor plan identifying your location within the show, exhibitor badges to allow you entry before the show opens, and contact information on nearby hotels in case you are traveling and need to make a hotel reservation. Greenberg will provide an 8'x30" table (6'x30" tables are used in Monroeville, PA) and folding chairs; you will need to bring a table cover. We recommend simple \$1 plastic slip-covers that are available at party supply stores. If you include electric service in your order an electric drop will be provided, but we recommend bringing a 10'-12' extension cord in case the drop is located a few feet away from your electrical plug. You will be allotted an area as wide as your table with about a 2' aisle behind your table provided for you to sit or stand. Shelves and display racks that sit on your table are fine, as are shelves and exhibits underneath the table, but please make sure not to infringe on your neighbors' space.

## **WHAT'S THE SCHEDULE FOR THE SHOW?**

You can arrive at the show for set-up starting on Friday at 2:00pm; at some facilities we're able to let exhibitors move in starting slightly earlier but this is done on an irregular basis. Set-up goes until 7:30pm on Friday and resumes at 7:30am on Saturday. You do not need to be present on Friday if your display doesn't require much time to set up, but if you arrive on Saturday **you must arrive before 8:30am**. If you arrive after 9:00am your table will be given to someone else and you will still be liable for payment. We encourage you to bring a two-wheel dolly or hand truck to bring your merchandise into the show; some facilities allow vehicles to drive in but not all tables can be directly accessed by vehicles. You may bring plastic slip-covers to put over your merchandise on Friday and Saturday night but this is not required; Greenberg provides an on-site overnight security guard at ALL of our shows on both Friday and Saturday nights to prevent theft. Exhibitors can get into the hall starting at 7:30am on Saturday and at 9am on Sunday. The show is open to the public from 10am-4pm on both Saturday and Sunday and you must remain set up until 4:00 on Sunday afternoon; leaving early is not permitted.

## **Frequently Asked Questions**

### **What is acceptable merchandise?**

We are trying to build a family oriented theme to the shows by allowing children in free. While the focus of the show is model and toy trains we do allow other toy and hobby related items which contribute to the family atmosphere. We want trains, toy and other hobby items. That said, we do need to draw the line somewhere; we want this to be a family show and not a flea market. You can sell train items, toy items, and almost anything that could be a family shared hobby - not purses, jewelry (that does not have a train or toy theme), guns, food, knives, or anything pornographic. If you would not see it in a good hobby or toy shop you should not see it at the show. Our show managers are empowered to use their judgment about what is appropriate and what is not. Please just let common sense prevail.

### **Why are prices higher for wall tables?**

In general, we try and give everyone an equal amount of space at all shows at the same price. That said, in reference to wall tables, there is often more space associated with wall tables. Because of this, there is a perceived premium for wall tables at all shows. They are sold out first and they are limited more than tables not on a wall. Since there is a premium placed on wall tables, there will also be a premium price of \$75 per table. This will apply to all wall table holders, including those with permanent locations along the wall. If you have a permanent location along the wall but wish to avoid paying \$75 per table, feel free to contact us and we can change your location.

### **What are permanent tables?**

Permanent tables allow an exhibitor to retain a show location in specific venues automatically without having to sign up show after show. We would like to save you the paperwork of having to sign up for our shows in the future. You can get permanent tables at any of our shows just by filling out our application for permanent tables. This has several benefits:

- **You do not need to fill out paperwork ever again!**
- **You will get the same table location!**
- **You never have to worry about the show being sold out!**

Having a permanent table is the only way you can be guaranteed the same location at every show and will result in preferential treatment in placement. Dealers need only sign up once and this agreement will remain in effect until terminated by one of the parties. Dealers will have purchased the same location at every show held in a particular venue. Should something come up and you can't make a particular show, it is your responsibility to find someone to fill the tables. Should you wish to give up your permanent status we require 90 day notice. We will let you know about show, price and other policy changes at least 120 days in advance of any show. Permanent exhibit space cannot be cancelled but may be resold by a Dealer to another Dealer of their choice at a price they determine. Any resold tables must still follow all the rules and regulations of the show.

***And remember, if at any time you have a question, please ask the show manager - we're here to help you!***

Dealer agrees to collect and remit sales and use taxes in accordance with governmental regulations. Dealer acknowledges that Train Show Inc. furnishes the name of each Dealer to the state or governmental unit(s) as legally required.

Any controversy or claim arising out of or relating to this license, or the breach thereof, shall be settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator(s) may be entered in any Court having jurisdiction thereof. It is agreed that such arbitration would occur in Elmhurst, Illinois.

The dealer further agrees to all of the following terms, conditions and regulations:

**ACCEPTABLE MERCHANDISE:** Train, collectible toy and family oriented hobby merchandise is **ACCEPTABLE**. Non hobby related or non wholesome merchandise is not accepted. Final determination of acceptability shall be determined by Train Show Inc.'s on site manager(s). Dealer may not sell raffle tickets or offer games of chance. Dealer agrees to mark reproductions, repainted, and restored items as well as items with major reproduction parts. Dealer agrees to give a receipt when requested by a purchaser. This receipt must include the terms of the sale.

**SHOW HOURS:** Each Dealer agrees to maintain his display space open to the public for the duration of the show. Dealers may not remove any merchandise from their area until the close of the show Sunday evening. **Violation of this rule will lead to exclusion from future shows** and may result in a claim for damages for negatively impacting the shows appearance. The show is open to the public from 10:00am to 4:00pm on Saturday and Sunday. Set-up time is from 2:00pm to 7:30pm Friday and 7:30am to 9:30am on Saturday. In the event these hours change, you will be notified. Dealers must arrive by 9:00am Saturday to retain their contracted show space. On Friday set-up, the hall must be vacated at 7:30pm. On Saturday, the hall must be vacated upon notification by the show managers at approximately 4:05 PM. All Dealers will be readmitted at 9:00 AM on Sunday and must vacate the hall by 8:00 PM on Sunday.

**CONTRACTED SPACE:** Purchase of ONE TABLE @ \$65 or ONE WALL TABLE @ \$75 equals 8 feet by 4 feet total contracted area, with a table surface of either 8 feet by 30 inches or 8 feet by 24 inches. Purchase of ONE TABLE @ \$50 or ONE WALL TABLE @ \$60 in Monroeville equals 6 feet by 4 feet total contracted area, with a table surface of 6 feet by 30 inches, or 6 feet by 24 inches. The 3' exhibitor aisle between must remain unobstructed unless dealer purchases both tables that border the aisle.

**BADGES:** Dealer/Exhibitor badges are to be used only by those working at dealer tables or assembling and operating displays. Dealer/Exhibitor Badges **must be worn at all times** including set-up, show hours and tear-down. Only persons with Dealer/Exhibitor Badges will be allowed in the hall during Friday/Saturday set-up. Badges are not to be given to any person for the purpose of shopping during non public hours, or to access the show early. Violations of this rule will lead to exclusion from future shows and may result in a claim for damages for negatively impacting the shows security.

**DEALER SPACE:** Dealer space is sold two ways:

1. **Permanent exhibit space** will provide the Dealer with the same location at a particular venue for every show. Dealers need only sign up once and this agreement will remain in effect until terminated by one of the parties. Dealers will have purchased the same location at every show held in a particular venue. In order to terminate this agreement 90 day notice is required by either party. Train Show Inc. will advise Dealers of shows, price and other policy changes at least 120 days in advance of any show. **This is the only way to get the same location at every show.** Permanent exhibit space cannot be cancelled but may be resold by a Dealer to another Dealer of their choice at a price they determine. Any resold tables must still follow all the rules and regulations of the show.
2. **Nonpermanent exhibit space** will provide Dealers with a location on a show by show basis subject to availability. Locations will change for nonpermanent Dealers/Exhibitors based upon the needs of permanent Dealers/Exhibitors and other factors.

Dealers/Exhibitors may not place anything in the aisles, between, behind, or at the end of tables so as to impede customer and dealer movement in the aisles. Dealers may not use tables or boards to extend the surface of the table. Table covers are required at all shows.

**CANCELLATIONS:** For nonpermanent spaces cancellations received more than 90 days in advance of a show will receive a full refund. Cancellations within 90 days of a show will receive no refund and if guaranteed to a credit card, credit card will be charged when space is cancelled. Space guaranteed to a credit card, where the dealer does not pay at the show, will be charged immediately after the show and will include a late fee of \$10.00 per table or booth. Dealers/Exhibitors may resell their space to someone else but they remain responsible for all elements of this dealer contract.

For permanent spaces cancellations do not apply but space may be resold. The permanent table agreement may be terminated upon 90 days notice with no further obligation.

**SECURITY:** Security service or guards are normally on duty from 7:30 pm Friday to 7:30 am, Saturday and from 4:00 pm Saturday to 9:00 am Sunday. Train Show Inc. assumes no responsibility for dealer loss. We recommend that you cover your display Friday and Saturday nights. When you leave on Friday and Saturday, take all personal belongings with you. **NO ONE** is admitted into the hall under any circumstances after the Greenberg Shows Management Staff leaves the facility.

**PARKING:** Any parking fees required by the facility are the responsibility of the Dealer.

**ACCOMMODATIONS:** Hotel reservations are the responsibility of all Dealers. Train Show Inc. can provide a list of hotels near the show facilities upon request and a list of 800 numbers upon request. Many hotels offer special weekend rates that can only be obtained on an individual basis. You may mention Greenberg Shows when you make your reservation: some hotels offer reduced rates in conjunction with a show. All Dealers/Exhibitors are responsible for calling, negotiating the best rate and making their own reservations.

**DOOR PRIZE CERTIFICATES:** We offer Door Prize Certificates as door prizes on both Saturday and Sunday. The Certificates are to be used as cash in the hobby marketplace. If a customer makes a purchase at your table using a door prize certificate, deduct the face value of the certificate(s) from the total purchase, which would include tax, if applicable. Take the door prize to the Show Manager and you will be reimbursed for the total face value of the certificate(s).

**LOCATION CHANGES:** In order to maintain a permanent table location you must sign up for permanent tables. While non permanent table holders may receive the same location, it is subject to change if a permanent exhibitor desires the space or we need to make floor plan changes.

**NO CHARGE EXHIBIT SPACE:** For certain items which are attractions for the public at the show, Greenberg Shows will provide no charge exhibit space. These attractions can include operating layouts, workshops, and non profit organization promotion tables. To receive no charge space the no charge exhibit space contract must be completed. All dealers will be charged the stated rates in this contract unless a no charge exhibit space contract has been completed and agreed to by Greenberg Shows. No oral agreements or past precedents shall impact this contract. This contract is the entire agreement between the parties and shall not be effected by oral agreements and can only be modified by written agreement signed by both parties.

**ACCEPTANCE OF CONTRACT:** Upon acceptance of this contract by Greenberg Shows, a written confirmation will be mailed to the dealer. If the dealer does not receive a confirmation within 15 business days of submitted this contract, he should contact Greenberg Shows to determine the status of the contract.
